

Silvestre Kuhlmann - Aos Navegantes

tom: Am

Am Am Am

Ó vós, que velejais na noite escura
 Os olhos cegos pela bruma densa
 E prosseguis por essa treva imen-sa
 A tatear nos ermos da amargura

Am Am

Ó vós, arremessados para a altura
 Na fúria ondeante da amplidão extensa

Sem leme, sem velame, sem valen-ça
 A navegar na turbação mais dura

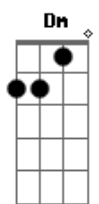

Aadd9

Se a angústia os vossos ânimos abate
 Enquanto a vaga o vosso casco bate
 Numa insistên-cia que jamais se cansa

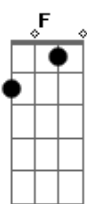

Aadd9

Erguei a Deus o vosso olhar salgado
 E de pronto tereis do vosso lado
 O Sopro sua- ve de uma brisa mansa
