

# Silvestre Kuhlmann - Bênção

tom: G

Bendito o amor que em lágrimas salgadas  
 Confessa a culpa por amar tão pouco!  
 Em vez de cânticos, um grito rouco  
 Povo a solidão das madrugadas

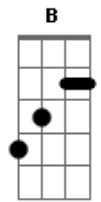

Bendito o amor que sai pelas estradas,  
 Exorbitando os olhos, feito louco  
 E, embora o mundo faça ouvido mouco,

F#m(add9) Gbm Bm Bb7(#11)  
 Convida para as Bodas preparadas!

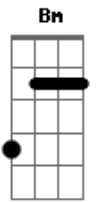

A(add9)# A(add9) B  
 Bendito o amor liberto da mordação,  
 A semear jardins por onde passa  
 Pequenos grãos em pleno anoitecer!

E(add9) A B A7M  
 Se o Amor passar, quando vier a Aurora,  
 Abra a janela e olhe para fora  
 -Eis a Esperança pronta  
 A florescer
