

Silvestre Kuhlmann - Bênção

tom: G

Bendito o amor que em lágrimas salgadas
 Confessa a culpa por amar tão pouco!
 Em vez de cânticos, um grito rouco
 Pova a solidão das madrugadas

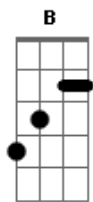

Bendito o amor que sai pelas estradas,
 Exorbitando os olhos, feito louco
 E, embora o mundo faça ouvido mouco,

F#m(add9) Gbm Bm Bb7(#11)
 Convida para as Bodas preparadas!

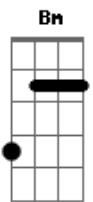

A(add9)# A(add9) B
 Bendito o amor liberto da mordança,
 A semear jardins por onde passa
 Pequenos grãos em pleno anoitecer!

E(add9) A B A
 Se o Amor passar, quando vier a Aurora,
 Abra a janela e olhe para fora
 -Eis a Esperança pronta
 A florescer
