

Silvestre Kuhlmann - Brilha, Voa, Livre, Bela

tom:

Bem-te-vi, sabiá
 Colibri, manacá
 Girassol, acácia
 Estrela, sol, luar
 Tudo o que brilha
 Que voa e é livre
 E belo, lembra você
 Tocar você

É pegar a estrela pela mão
 É ver real a musa da canção
 Olhar o sol e não se ofuscar

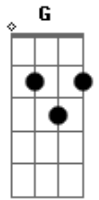

Bem-te-vi, sabiá
 Colibri, manacá
 Girassol, acácia
 Estrela, sol, luar

Tudo o que brilha
 Que voa e é livre
 E belo, lembra vo- cê
