Cuidado, menina, se vires um moço bonito na beira do rio

Ele seduz, apaixonado, alucina, cativa com olhar viril

Se apressa e corre depressa e foge do moço de olhar sedutor

Cuidado, menina, é o boto Ele vem ter encantar

Canoa nos furos, cuidado, o mapinguari pode estar a espreitar

Na pedra, um canto brejeiro, faceiro, Iara a te enamorar

Os seres de encanto passeiam na mata da selva do meu céu de anil

Quem sabe da lenda já sabe que a estória é cultura do nosso

Brasil

Se ouvires batuque, tambor, alarido e dança a se aproximar

Com seu colorido a noiva faceira, o negro maroto só pra ritmar

Com todo o capricho garante? que a festa certa já vai

começar

Cuidado, menina, só pode ser o boi-bumbá

Boto, Iara, mapinguari

Lendas e danças, boi-bumbá

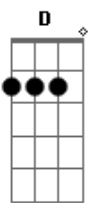

Quem sabe da lenda já sabe que a estória é cultura do nosso Brasil
