

# Silvestre Kuhlmann - Convite do Sol

tom: G

Veja G F G F G  
 O sol batendo na cidade  
 Nas praças  
 Ruas, claridade  
 Arte... sol

e parte F G F G F  
 Por entre as trilhas ser-tanejas  
 Pelas montanhas  
 Al-taneiras  
 Arte... sol

Canto em sol

A luz que chega transmite graça  
 Remove a traça, limpa, sara

Que venham os fracos, os miseráveis  
 Os desvalidos, vejam, vivam!

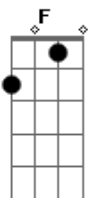

Hoje Sol da Justiça me convida  
 Pra um novo rumo, nova lida  
 ?Venha! Veja!?

Há um banquete sobre a mesa  
 Há cura pra toda tristeza  
 veja só
