

Silvestre Kuhlmann - Coração Sem Medo

Tom: G

Vem, meu coração, aprenda: Se chegar o amor, se renda
 Mesmo que lhe cause uma fenda, Uma ferida profunda
 Uma dor que não finda, Um furo que não se emenda

Vai, meu coração, se entregue. Com olhos cheios d'água, regue
 Mesmo que o sol te cegue, e que o outro só negue

E o bem com mal se pague, e teu vigor se apague

Vai, meu coração, propague o amor por toda estrada e senda
 Deve apaziguar a contenda e habitar em tua tenda

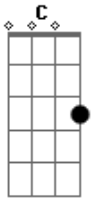

O amor não pode estar à venda nem se trocar por fazenda

O amor é todo Graça, o amor envolve, abraça

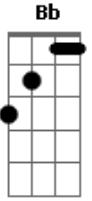

E não há medo ou ameaça que o vença ou o desfaça

E assim, se dando, se enlaça Àquele que ama e não passa
