

Silvestre Kuhlmann - Crucifixaõ

tom: A D7M D

Das alturas do Gólgota rochoso A D7M D
A7M
Contemplo o corpo do Crucificado
Bm7 E7
Em áspero madeiro bem cravado
A7M
Na escuridão de um dia tenebroso

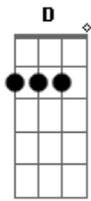

D7M D
Chego mais perto, num tremor nervoso
A7M
Vejo a profunda chaga do seu lado
Bm7 E7
Os pés feridos, punho transpassado

A7M A7
Olhar sem brilho, sangue pegajoso

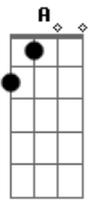

Dadd9 D
Ao Servo que morreu como um escravo
A7M# A
Arranco de seu corpo cada cravo
Bm7 D A7M A7
Tentando amenizar a sua dor

Dadd9 D
Mas no cruzeiro erguido lá no teso
A7M# A
O corpo do Senhor perdura preso
Bm7 D D Aadd9
Pois o que o prende à cruz é seu Amor
