

# Silvestre Kuhlmann - Dois Abraços

tom:

G

Inda se vê no céu a estrela matuti- na  
 A despedir seus raios sobre nazaré  
 E já trabalha e sua nosso bom José  
 Um tanto de ferreiro, um tanto cara- pina

Inda é bem cedo: o galo da manhã clari- na  
 Convida o burgo pobre a se postar de pé

Fina fumaça esfuma o céu, da chaminé  
 Da casa de maria, aos fundos da ofi- cina

Entra o menino e abraça o pai devagarinho  
 E a túnica do pai recende a cedro e pinho  
 O cheiro da floresta quando a noite cai

Por certo há de lembrar, o salvador Jesus  
 Que tinha esse perfume a túnica do pai  
 Que tinha esse perfume a túnica do pai
