

Silvestre Kuhlmann - Ideal

tom:

Meu Deus, eu sei que o mundo é só vaidade

O ouro se corrompe, a glória passa

Todo prazer desfaz-se na fumaça

E perde-se o vigor, chegando a ida_de

Abre-me a porta! Rompe a minha grade!

Limpa meus olhos, que a ilusão embaça!

Pra ser feliz, me basta a tua graça

Em G Am
Meu ideal, fazer tua vontade

C G G G G
Neste mundo tão frágil e inseguro

O meu olhar se ergue além do muro

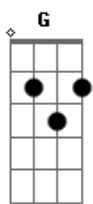

Além das nuvens e dos céus azuis

Muito além das estrelas e do sol

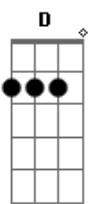

Encontro o cintilar do teu farol

A luz divina a fulgurar na cruz!
