

# Silvestre Kuhlmann - Minha Luta, Luto

tom: G

Minha busca se choca  
 De forma brusca, com o possível  
 Com o permitido

Minha rusga incomoda  
 Quem imerso se acomoda

Com o que tem, o que não tem  
 E estando morto, não se move

Minha luta é contra aqueles  
 Que ao invés de se enredar na vida  
 Se escravizam do luto  
 Sem permitir que o surto da semente  
 Quebre seu coração de pedra
