

# Silvestre Kuhlmann - No Deserto

tom: G

Apenas Tu no centro do deser- to  
 De rocha nua pelo sol banhada  
 Nenhuma sombra nem rumor nem na- da  
 Mas sinto a tua Presença muito perto

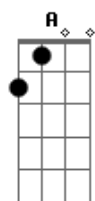

Se a noite cai, vigiarei desperto  
 Na escuri- dão vazia e conste- lada  
 Enquanto os astros seguem sua estrada

E o Vento sopra pelo espaço aberto

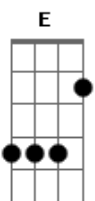

Não sei se falarás... Se me dirás  
 Uma receita nítida de Paz  
 A serenar o inquieto coração

E no silêncio neutro das esfe- ras  
 Cercado de demônios e de feras  
 A tua Voz me trouxe uma Missão
