

Silvestre Kuhlmann - Olhar, Voz, Semblante

tom: G

E(add9)
 Num mundo enquadrado e imposto
 A(add9) A
 De máscaras mil de disfarce
 Gbm7 B
 É tão precioso encontrar-se
 E(add9) Am
 O olhar transparente num rosto.

E(add9)
 Em tempos de digo, não digo;
 A(add9) A
 De fala ensaiada e vazia
 Gbm7 B
 É doce escutar a poesia
 E(add9) Am B7 E7

De lábios honestos e amigos.

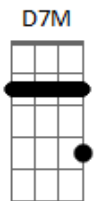

A(add9)
 Num clima de gestos tão duros,
 Abm7 C#sus
 Distantes, mesquinhos, pequenos;
 Gbm7 Gbm D7M
 É terno um semblante sereno
 B B7
 Que vem de um espírito puro.

E(add9)
 Que tal desejar doravante
 A(add9) A
 A luz de um olhar transparente
 Gbm7 B
 E a voz que expressa o que sente
 Am E(add9)
 Num insofismável semblante?
