

Silvestre Kuhlmann - Oração da Manhã

tom: G

Enfim, meu bom Jesus, aqui me tens
 Na calma deste dia que começa
 Mal acordei, o coração me apressa
 A dar graças por todos os teus bens!

Todos os dias, à minh'alma vens
 Renovar a mais íntima promessa
 De uma vida infinita que não cessa

G(add9) A A7
 E que mana do Pai, de onde provéns

D7M
 Meu bom Jesus, quando a teus pés estou

Em
 Posso entender, às claras, o que sou

A A7
 -Um filho amado, mergulhado em luz!

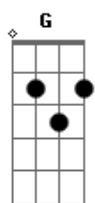

D7M
 Quando me isolo, minha vida é vã

Em
 Por isso venho a ti toda manhã

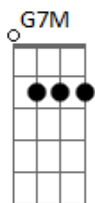

A A7
 Por isso aqui me tens

D7M
 Senhor Jesus!
