

Silvestre Kuhlmann - Preparação Para a Morte

tom:

A

Aadd9

Vamos seguindo a efêmera viagem

Por este mundo feito de matéria

A contemplar a imensidão sidérea

Onde o Criador reflete a sua imagem

Acaba o tempo e a morte é uma passagem

Que nos projeta a uma amplidão aérea

Sem peso morto, em liberdade etérea

De quem viaja sem levar bagagem

Am

Temer a morte? Ora, quem se importa?

Dm

Morrer é como atravessar a porta

Bm7

Que, enfim, se abriu

F7M E7 D Aadd9

Diante dos passos meus!

Am

E agora livre, leve, satisfeito

Dm

Sem mágoas e sem dores no meu peito

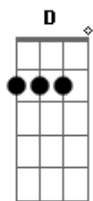

Bm7

Vou mergulhar

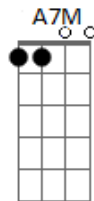

F7M E7 D Aadd9

Inteiro no meu Deus
