

Silvestre Kuhlmann - Presença

tom: G

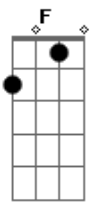

Não há amplo pala-
cio que se possa comparar
Com qualquer espaço escas-
so onde vou me ajoelhar
Não há glória ou riqueza que não se possa trocar
Por um só pequeno instante, teu semblante contemplar

Que cir-
cunstân-
cia tu não podes alterar

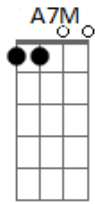

Não há nada que pos-
sa fugir ao controle do teu
olhar
Tua esperança impulsiona meu andar
E a certeza da promessa que se cumprirá

Toda realeza diante de ti se prostrará
Não há sabedoria humana que perante a ti não venha se anular
Tua potente mão me poderia esmagar
Mas escolheste, em teu dedo, me sustentar
