

# Silvestre Kuhlmann - Promessa

tom:

**Cm**

A noite que te envolve na viagem  
**Dm7 Cm Bb Eb**  
 Noite cerrada, treda, fera, escura  
**Ab G**  
 Pode apagar dos homens a figura  
**Cm Bb G7**  
 E do próprio Senhor velar a imagem

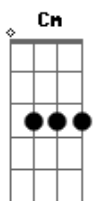

**Cm Ab**  
 E, por mais cega seja essa passagem  
**Dm7 Bb Eb**  
 Não te deixes tomar pela amargura  
**Ab G**  
 Ao contrário, a visão bem mais se apura

**Cm Bb G7**  
 Quando os outros sentidos não reagem

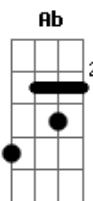

**Cm Ab**  
 Lá no meio da noite mais fechada  
**Dm7 Bb Eb**  
 Ainda promessa, pulsa a madrugada  
**Fm Bb G7 Cm Dm7 G7**  
 Que o tempo há de mudar em arrebol

**Cm Ab**  
 Não maldigas a noite... Não maldigas  
**Dm7 Bb Eb**  
 Essas sombras tão calmas, tão amigas  
**Fm Bb G7 C**  
 Que abrem espaços ao nascer do Sol
