

# Silvestre Kuhlmann - Segurança Em Deus

tom: G

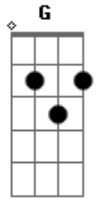

Na incerteza, estampe um sorriso  
 No vale escuro não há o que temer  
 Trago as rédeas da sua vida em minhas mãos

E o cajado do Bom Pastor  
 Não diga a mim o tamanho dos problemas  
 Diga aos problemas o tamanho do teu Deus  
 Na confiança está a tua força  
 Em repousares, a salvação
