

Silvestre Kuhlmann - Trânsito

tom: Bm

Am

Am

Quando pára o trânsito, me desespero

E a fumaça preta vem me sufocar

Ando mais um pouco, nada melhora

Eu não vejo a hora de tudo acabar

Am Bm

Só seu rosto lindo acalma minha mente

E o perfume do seu corpo parece exalar

A A7 Dm

Me peço sorrindo, lábios entre os dentes

Dm Bm E7 A

E do seu jeito doce começo a lembrar

A A Gbm Bm

Eu então me acalmo, me desestresso todo

D E7 Am

E nem o ambulante chega a incomodar

A A7 Dm

E pros afobados eu abro caminho

Dm Bm E7 Am

Se quiser, vão indo, me deixem sonhar

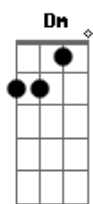

A A7 Dm

Chego apressado e te vejo sorrindo

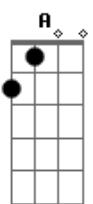

Dm Bm E7 A

Oh! Que prêmio lindo, vou comemorar
