

Silvestre Kuhlmann - Videira Verdadeira

tom: G

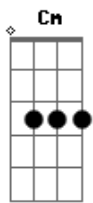

Videira verdadeira
 Se estou ligado a Ti
 Posso pedir ao agricultor
 Vem podar a parte de mim
 Que secará!

Videira verdadeira

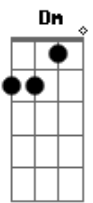

Se permaneço em Ti
 Sua seiva, Sua vida, Seu amor
 Muitos bons frutos em mim
 Produzirá

Que sairão dos meus ramos
 Serão alimento aos famintos
 E sumo aos sedentos
 Ou cairão ao solo em desperdício de amor
