

Simon & Garfunkel - Bookends Theme 2

Tom: **Bb**

~From: y (BOWMAN)

It is easy to play and very pretty. It is taken from the album Bookends and is in 3:4 time, although sometimes the time signature changes. If you listen to the original, the one that opens the album is capoed much lower, possibly open even. This is the version that follows the song 'Old Friends'. Enjoy.

Repeat for verses...

Time it was and what a time it was it was
A time of innocence, a time of confidences.
Long ago it must be, I have a photograph.
Preserve your memories, they're all that's left you...

Begin again with new fourth measure...

Play to end...
