

Simon & Garfunkel - Sound of silence

Tom: G

(com acordes na forma de Capostrate na 7ª casa Intro: Am C)

Am G
Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
C G Am G C
Within the sound of silence
Am G
In restless dreams I walked alone
Narrow streets of cobblestone
'Neath the halo of a street lamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night
C G Am G C
And touched the sound of silence
Am G
And in the naked light I saw
Am

Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
And no one dared
C G Am G C
Disturb the sound of silence
Am G
"Fools", said I, "You do not know
Silence like a cancer grows
Hear my words that I might teach you,
Take my arms that I might reach you"
But my words like silent raindrops fell
Am C G Am
And echoed in the wells of silence
Am G
And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning
In the words that it was forming
C
And the sign said "The words of the prophets are written on
the subway walls
And tenement halls"
C G Am G
And whispered in the sounds of silence
