

# Simon & Garfunkel - The Sound Of Silence

Tom: E

m

[Primeira Parte]

Em Hello, darkness, my old friend D  
I've come to talk with you again Em  
Because a vision softly creeping G C G  
Left its seeds while I was sleeping C G  
And the vision that was planted in my C  
Brain G  
Still remains Em  
Within the sound of silence D Em

[Segunda Parte]

In restless dreams I walked alone D  
Narrow streets of cobblestone Em  
'Neath the halo of a street lamp G C G  
I turned my collar to the cold and damp C G  
When my eyes were stabbed by the flash G  
Of a neon light Em G  
That split the night D  
And touched the sound of silence Em

[Terceira Parte]

And in the naked light I saw D  
Ten thousand people, maybe more Em

G C G  
People talking without speaking  
C G  
People hearing without listening  
C  
People writing songs that voices never  
G  
Share  
Em G  
And no one dare  
D Em  
Disturb the sound of silence

[Quarta Parte]

Fools, said I, you do not know D  
Silence like a cancer grows Em  
Hear my words that I might teach you G C G  
Take my arms that I might reach you C G  
But my words like silent raindrops fell Em D Em  
And echoed in the wells of silence

[Quinta Parte]

And the people bowed and prayed D  
To the neon god they made Em  
And the sign flashed out its warning G C G  
In the words that it was forming C G  
And the sign said C  
The words of the prophets are written G  
On the subway walls Em  
And tenement halls G D Em  
And whispered in the sound of silence
