

Simonami - Ai Meu Deus

Tom: **D**

(**D D7**)

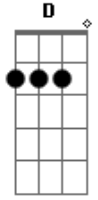

Em **G Bm A**

E você descobre que nasceu um pelo branco em você
E você percebe que começou a envelhecer

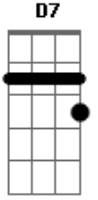

G Bm D Dbm

Aimeudeus! como o tempo passa rápido
Aimeudeus! como meu corpo está flácido?
Eu corria, eu dançava bem
Eu rebolava e ficava bem
Então me lembro que vivo menos que 19
E com tão pouco eu reclamo, até quando chove!
