Por tanto amor, por tanta emoção

A vida me fez assim

Doce ou atroz, manso ou feroz

Eu caçador de mim

Preso a canções, entregue a paixões  
Que nunca tiveram fim

Vou me encontrar longe do meu lugar

Eu caçador de mim

Nada a temer senão o correr da luta  
Nada a fazer senão esquecer o me...do

Abrir o peito à força numa procura

Fugir as armadilhas da mata escu...ra

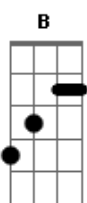

Longe se vai, sonhando demais

Mas onde se chega assim

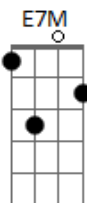

Vou descobrir o que me faz sentir

Eu caçador de mim
