

Simone - Fantasia

Tom: A

m
 Olhando na quarta-feira as ruas vazias

(Dm7 F)

Com os garis dando um jeito em nossa moral

Custei a compreender que fantasia

É um troço que o cara tira no carnaval

E usa nos outros dias por toda a vida

Dizendo: "Olá! Como vai?" e coisas assim

0 nó da gravata apertando o pescoço

Olhando o fundo do poço e rindo de mim

Ria, rasguei a fantasia

Ria, queimei a garantia

Ria, tô solto por aí

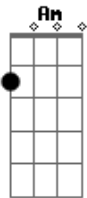

Doido, eu danço de Pierrot

Triste, morrendo em meu amor

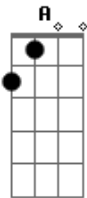

Ria vendo você morrer

Ria, vendo você morrer de rir
