

Simone - Garoa

Tom: C

[Carlinhos Brown]

[Intro:] Dm G Am

Vê-la num largo, largo longo, ê, ê

Sinto-me teu mi

Traz aquilo que busco lá longe

la no bar e vi

Dia nublado, Neblon, ê,ê
Pra dissecar malhas claras
Água de chuva é sangue
O que será nossas caras?

Não sei de que vai, mas sai

Fala fulô, proesia...oa

Seja dique e vá nadando

Fala fulô, proesia, iê

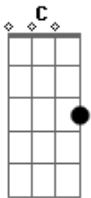

Ouço os sinos repicando
Fala fulô, proesia... e não
Não escute e vá andando (rezando)

Fala fulô, proesia

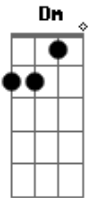

Pray I, I want

Ai, I want pray
