

# Simone - Quase um Segundo

Tom: Db

Herbert Vianna

[Intro:] Ebm7 Ebm7 Ab7 B

Ebm7 Ebm7 Ab7

Eu queria ver o escuro do mundo

Onde está tudo que você quer

Pra me transformar no que te agrada

No que me faça ver

Quais são as cores e as coisas pra te prender

Eu tive um sonho ruim e acordei chorando por isso eu te liguei

Será que você ainda pensa em mim

Será que você ainda pensa

Às vezes te odeio por quase um segundo

Depois te amo mais

Teus pêlos, teu gosto, teu rosto

Tudo que não me deixa em paz
