

Simone - Vento Nordeste

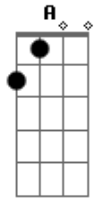

Tom: A

Intro: (D Bm7 Bm7)3x A A A A

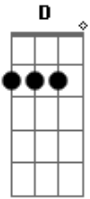

Crianças nos claros da tarde, cachorros na boca da noite
 Os galos nos dentes do dia, cada desejo é um a^{A7}çoite
 Eu nunca volto nem vou, apenas sou

Aberta aquela janela, este peito estrangulado
 O que não digo me queima, não satisfaz o falado
 Não te odeio nem te amo, apenas chamo
 Viaja o vento nordeste, cavalo do meu segredo
 Se estás comigo distraio, se vais, eu morro de medo
 Eu não me lembro nem esqueço, adormeço
