Simple Minds - Life In The Day

Tom: G

Main Riff 3x: D C A G G D Life in a day The price that you pay For time that you spent G Its such a fatal event D Take a look at your watch There is no time to wait Α Take a look deep inside Theres no escape from this day D Life in a day Life in a day Take a look around you Is it true what they say D Life in a day С Life in a day Is there no place to hide G Could there be some other way D Can you see how they run

Acordes

Do you believe what they say They'll soon be looking for you For sure they'll get you away D The premonition came true Look all around and you'll see Some say it takes two to know G Or could it all just be me D Life in a day C Life in a day I love to see how they run G They came a running this way D Life in a day C Life in a day No sence in looking for you They're going to get you one day D Life in a day Life in a day Life in a day Life in a day
