

# Simple Minds - Stars Will Lead The Way

Tom: C  
Intro: 2x

Verse 1:

C  
I'm the one who broke apart, I'm the one that's free.  
C  
I'm the one who fell apart, Yes I'm the one, that's me.  
C  
I'm the one who fell away, The one who didn't care.  
D  
But there is a long trail, Stretching now from here to there.

Chorus 1:

C  
Stars will lead the way, Stars will light the sky,  
D  
Stars will fall through for you and I.  
C  
From the darkest days to the darkest side,  
D  
there is a long trail stretching here to you and I.

Verse 2:

C  
I'm the one who lost the sense, the one who couldn't see.  
C  
I'm the one who lost the chance, Within this odyssey.  
C  
I'm the one who failed to feel, The blackout of the sun.  
D  
There's an old tale telling me that it's just begun.

Chorus 2:

C  
Stars will lead the way, Stars will light the sky,  
D  
Stars will fall here, now for you and I.  
C  
From the darkest days to the darkest side,  
D

There is a long trail stretching here to you and I.

C  
Stars will lead the way, .....  
D  
Stars will light the sky.....

Bridge:

F 2x (picking)  
F  
And I'm wandering in a trance, taken over me,  
F  
wandering in a world but I can't see.  
F  
Wandering in trance, taken over me.  
E  
Taken over me, Taken over me.

Solo: = Intro 2x

Verse 3:

C  
I'm the one who broke apart, I'm the one that's free.  
D  
I'm the one who broke apart, the one that couldn't see.

Chorus 3:

C  
Stars will lead the way, Stars will light the sky.  
D  
Stars will fall here for you and I.  
C  
From the darkest days to the darkest side,  
D  
Stars will fall, fall, fall, fall for you and I.  
C  
Stars will lead the way, Stars will light the skies,  
D  
Stars will fall, fall, fall, fall for you and I.  
C  
Stars will lead the way, Stars will light the skies.  
D
