Then we jumped in the car and drove as far as we  
**Am**  
could go  
**D**  
Just to get away  
**G**  
We talked about our lives until the sun came up  
**Em**  
And now thinking about how i wish i could go back **Am**  
**D**  
Just for one more day  
One more day with you

Refrão:

**G**  
Everytime i see your face  
**Em**  
Everytime you look my way  
**Am**  
It's like it all falls into place  
**D**  
Everything feels right  
**G**  
Ever since you walked away  
**Em**  
You left my life in disarray  
**Am**  
All i want is one more day  
**D**  
all i need is one more day with you

Verso:

**G**  
When the car broke down  
We just keep walking along  
**Em**  
Till it hit this town  
**Am**  
There was nothing there at all  
**D**  
But that was all ok  
**G**  
We spent all our money on stupid things  
**Em**  
But if i look back now id probly give it all away, **Am**  
**D**  
Just for one more day

One more day with you
