Capostraste na 4º casa
It was 3 a.m. when you woke me up
Then we jumped in the car and drove as far as we could go
            D ou D
Just to get away
We talked about our lives until the sun came up
And now thinking about how i wish i could go back
Just for one more day
One more day with you
Everytime i see your face
Everytime you look my way
It's like it all falls into place
Everything feels right
Ever since you walked away
You left my life in disarray
All i want is one more day
Cuz all i need is one more day with you
When the car broke down
We just kept walking along
       Em
Till it hit this town
There was nothing there at all
But that was all ok
We spent all our money on stupid things
But if i look back now id probly give it all away,
Just for one more day
One more day with you
```
