Refrão:

Turn up the lights, cameras a go, Get out the way
 cuz I'm famous for nothing
 Out every night, My life's a show, I'm getting paid
 cuz I'm famous for nothing
 I can't act, can't dance, can't write, can't sing
 No, I can't do anything
 Turn up the lights, I love the dough
 cuz I'm famous for nothing.

Oh oh oh oh Cuz I'm famous for nothing

Good press, bad press it makes no difference to me
 if I go to the grocery store I make sure to call TMZ
 When I go out I get paid to party.
 I'm always on the list champagne, red carpet
 You fly coach I only fly private
