

Simple Plan - Fire In My Heart

Tom: E
Intro: B A E

B A E
I bet you didn't know
You started off a chain reaction
I saw no intention on your face
It must have been some kind of chemical attraction

B A E
I felt the spark
Let the mark
I can't erase
(I can't erase)

Gb A E
It's like oh oh
Something like a bolt of lightning
Oh oh
It's going on inside

Gb B A E
'Cause I'm burning up, it aint no joke
And all my cells are growing old
I got up in a place with no way out
And it's my self control goes up in smoke
One more hit I get so stoked
That I
I'm glowing in the dark
You lit a fire in my heart

You lit a fire in my heart

B A E
It was kicking at me
Steady in my body
(In my body)
Until you pumped it up with gasoline
You struck a match
And just like that you got me
Now I'm the brightest firework you've ever seen

Gb A E
It's like oh oh
Something like a bolt of lightning
Oh oh

It's going on inside

Gb B A E
'Cause I'm burning up, it aint no joke
And all my cells are growing old
I got up in a place with no way out
And it's my self control goes up in smoke
One more hit I get so stoked

I'm glowing in the dark
You lit a fire in my heart

You lit a fire in my heart

B A E
Oh oh
So come and warm your hands around me
Oh oh
I will light you up tonight
