VERS01  
(Riff 1)  
I never could've seen this far,  
i never could've seen this coming,  
seems like, my worlds falling apart.... yeah  
why is everything so hard  
i dont think that i can deal  
with the things you said it just wont go away...

In a perfect world, this could never happen.  
In a perfect world, you'd still be here  
And it makes no sense  
i could juz pick up the piecse  
but to you, this means nothing, nothign at all
