

# Simple Plan - Take My Hand

Tom: E

(C#m, A, E, B)

Sometimes I feel like everybody's got a problem  
 Sometimes I feel like nobody wants to solve them  
 I know that people say we're never gonna make it  
 But I know we're gonna get through this

(A, B, Dbm - A, B, Ab)

Close your eyes and please don't let me go  
 Don't let me go now  
 Close your eyes and don't let me let you go

(C#m, A, E, B)

Take my hand tonight  
 Let's not think about tomorrow  
 Take my hand tonight  
 We can find some place to go  
 Cause our hearts are locked forever  
 And our love will never die

(C#m, A, Ab)

Take my hand tonight one last time

(C#m, A, E, B)

The city sleeps and we're lost in the moment  
 Another kiss as we're lying on the pavement  
 If they could see us they would tell us that we're crazy  
 But I know they just don't understand

(A, B, Dbm - A, B, Ab)

Close your eyes and please don't let me go  
 Don't let me go now  
 Close your eyes, don't let me let you go

(C#m, A, E, B)

Take my hand tonight  
 Let's not think about tomorrow  
 Take my hand tonight  
 We can find some place to go  
 Cause our hearts are locked forever  
 And our love will never die  
 (C#m, A, Ab)  
 Take my hand tonight one last time

Db

The rain drops, the tears keep falling  
 I see your face and it keeps me going  
 If I get lost your light's gonna guide me  
 And I know that you can take me home

(A, B, Dbm - A, B, Ab)

(C#m, A, E, B)

Take my hand tonight  
 Let's not think about tomorrow  
 Take my hand tonight  
 We can find some place to go  
 Cause our hearts are locked forever  
 And our love will never die  
 Take my hand tonight one last time (2x)
