

# Simple Plan - This Could Never Happen

Tom: C Or stay where we just won't know

Play the intro 4x with heavy distortion  
Intro:

Solo

x2

Bass And drums only

Verse

I never could've seen this coming  
I never thought this day would come  
The day where you leave  
And never come back

Chorus

Your a complicated girl  
One that's hard to figure out  
I guess i'll just drive you to the airport now  
You'll forget about me I know you will somehow

Intro: Bass and drums only

Verse 2

I tried my best to make you stay  
But your decision to go  
Weather you'll come again

Chorus

Your a complicated girl  
One that's hard to figure out  
I guess i'll just drive you to the airport now  
You'll forget about me I know you will somehow

Chorus

Your a complicated girl  
One that's hard to figure out  
I guess i'll just drive you to the airport now  
You'll forget about me I know you will somehow
