

## **Simple Plan - This Could Never Happen**

Tom: C

Play the intro 4x with heavy distortion

Intro:

Bass And drums only Verse I never could've seen this comming I never thought this day would come The day where you leave And never come back

Chorus

Your a complicated girl
One that's hard to figure out
I guess i'll just drive you to the airport now
You'll forget about me I know you will somehow
Intro: Bass and drums only
Verse 2
I tried my best to make you stay
But your decision to go
Weather you'll come again

## **Acordes**

Or stay where we just won't know

Solo

x2

Chorus
Your a complicated girl
One that's hard to figure out
I guess i'll just drive you to the airport now
You'll forget about me I know you will somehow

Chorus
Your a complicated girl
One that's hard to figure out
I guess i'll just drive you to the airport now
You'll forget about me I know you will somehow
