

Simple Plan - Welcome to my Life

Tom: Db

(forma dos acordes no tom de C)
Capostrate na 1ª casa

Do you ever feel like breaking down?
Do you ever feel out of place?
Like somehow you just don't belong,
and no one understands you.
Do you ever wanna run away?
Do you lock yourself in your room?
With the radio on turned up so loud,
That no one hears you screaming.
No you don't know what its like
When nothing feels alright
You don't know what its like to be like me...
To be hurt, to feel lost, to be left out in the dark
To be on the edge of breaking down, and no one's there to save you
No you don't know what its like
Welcome to my life
Do you wanna be somebody else?
Are you sick of being so left out?
Are you desperate to find something more,
before your life is over?
Are you stuck inside a world you hate?
Are you sick of everyone around?
With their big fake smiles and stupid lies,
While deep inside your bleeding
No you don't know what its like

When nothing feels alright
You don't know what its like to be like me...
To be hurt, to feel lost, to be left out in the dark
To be kicked when you're down, to feel like you've been pushed around
To be on the edge of breaking down, and no one's there to save you
No you don't know what its like
Welcome to my life
No one ever lies straight to your face
And no one ever stabbed you in the back
You might think I'm happy
But I'm not gonna be okay
Everybody always gave you what you wanted
You never had to work it was always there
You don't know what it's like what it's like...
To be hurt, to feel lost, to be left out in the dark
To be kicked when you're down, to feel like you've been pushed around
To be on the edge of breaking down, and no one's there to save you
No you don't know (what it's like)
To be hurt, to feel lost, to be left out in the dark
To be kicked when you're down, to feel like you've been pushed around
To be on the edge of breaking down, and no one's there to save you
No you don't know what its like
Welcome to my life
Welcome to my life
Welcome to my life.
