

## Simple Plan - When I'm Gone -(acústico)

```
Tom: Ab
                                                             Leave the past in the past gonna find the future
  Fm
                                                             Db
I look around me
                                                             And misery loves company
                                                             Bbm
But all I seem to see
                                                             Well so long
                                                                 Db Bbm
                                                             Fm
                                                                                 Cm
                                                             You'll miss me when I'm gone
Is people going nowhere
                                                             Fm
                                                                 Db Bbm
                                                                               Cm
Expecting sympathy
                                                             You're gonna miss me when I'm gone
                                                             Fm Db Bbm Cm
It's like we're going through the motions
                                                             You're gonna miss me when I'm goooooone
                                                             When I'm goooonneeee
Of the scripted destiny
                                                             (Let's go?!)
Tell me where's our inspiration
                                                             Fm
                                                             Won't look back
If life wont wait
                                                                   Db
                                                             When I say goodbye
I guess it's up to me
                                                             We're gonna leave this world behind me
Who-oahh
                                                                  Bbm
                             Fb
                                                             Gonna take what's mine tonight
    Fm
No we're not gonna waste another moment in this town
                                                                       Fm
                                                             'cause every wasted day

                   Cm
                                                                 Fm
                                                             No we're not gonna waste another moment in this town
You'll miss me when I'm gone
Fm Db Bbm
                  Cm
                                                              Db Ab
You're gonna miss me when I'm gone
                                                                Fm
                                                             We won't come back, the world its calling out
[Fm Db Ab Cm]
Procrastination running circles in my head
                                                             Db
                                                                    Ab
While you sit there contemplating you'll wind up left for dead Who-oahh
(left for dead)
Life is what happens
                                                             Leave the past in the past gonna find the future
While you're busy making your excuses
                                                             Dh
Another day, another casualty
                                                             And misery loves company
But that won't happen to me
                                                             Bbm
                                                             Well so long
  Db
                                                                 Db Bbm
