We started off incredible
                                                              You're bad news, a history repeater

                                                                             Bb
Connection undeniable
                                                              You can't trust a serial cheater
                                                               Gb
I swear I thought you were the one forever
                                                              You're good at hooking up but you suck at love
                                                               Gb
                                                                             Ab
Your love was like a loaded gun
                                                              But you suck at love
You shot me down like everyone
                                                               Gh
                                                              Now I kinda feel bad for you
Cause everyone's replacable
                                                              You're never gonna know
Ab
But you are so incapable

But you suck at love
                                                              You're good at hooking up but you suck at love
You played me like an amateur
                                                               Gh

                                                              Guess what, another game over
Then stabbed me like a murderer
                                                                             Bb
                                                              I got burned but you're the real loser (hey!)
I'm left for dead, another one of your victims
                                                                               Dh

It's not like you're unpredictable
                                                              Whoa Oh Oh
And your act is so believable
                                                                              Db
