

# Simply Red - The World And You Tonight

Tom: A

(intro) A7 Gbm7 Bm7 E7

Don?t rush around  
 The world will wait for you  
 And too much time is lost  
 On all the things we have to do  
 There?s nothing more important baby  
 Right now than you and me  
 So come a little closer darling  
 And turn the lights down low a key  
 And life could be so wonderful  
 A perfect home and a family  
 When you?re lying next to me  
 I?m everything I want to be  
 With the world and you tonight  
 With the world and you tonight...  
 you are my world  
 With you my love  
 The world?s a better place  
 And every day with you

Will hold a treasured memory  
 Your embrace  
 Could steal me forever  
 And nothing else matters  
 When I hold you in my arms  
 And life could be so wonderful  
 A perfect home and a family  
 'Cos you are everything to me  
 I?m the lock and you?re the key  
 To the world and you tonight  
 You are my world  
 It's the world and you tonight...  
 You are my world  
 It's the world and you tonight  
 You are my world  
 It's the world and you tonight...  
 You are my world...  
 It's the world  
 You are my world  
 world with you...  
 it's the world.
