

Simply Red - The World And You Tonight

Tom: A

(intro) A7 Gbm7 Bm7 E7

Don?t rush around
 The world will wait for you
 And too much time is lost
 On all the things we have to do
 There?s nothing more important baby
 Right now than you and me
 So come a little closer darling
 And turn the lights down low a key
 And life could be so wonderful
 A perfect home and a family
 When you?re lying next to me
 I?m everything I want to be
 With the world and you tonight
 With the world and you tonight....
 you are my world
 With you my love
 The world?s a better place
 And every day with you

Will hold a treasured memory
 Your embrace
 Could steal me forever
 And nothing else matters
 When I hold you in my arms
 And life could be so wonderful
 A perfect home and a family
 'Cos you are everything to me
 I?m the lock and you?re the key
 To the world and you tonight
 You are my world
 It's the world and you tonight...
 You are my world
 It's the world and you tonight
 You are my world
 It's the world and you tonight...
 You are my world...
 It's the world
 You are my world
 world with you...
 it's the world.
