

# Sinach - I Fly (feat. Ki & Nolly)

Tom: Ab  
Intro: Db Fm Ab Eb

Tongues may rise against me  
Persecution may come  
I will not be moved  
I have a blessed assurance  
Whatever may come my way  
Your word is my anchor  
You are light, you are life  
You are truth (yeah)

I declare that I am strong  
With the strength of God in me  
And I mount up with wings as eagles  
And I fly and I fly  
( Db Fm Ab Eb )

Mountains may rise around me

Trails may come  
I will not be moved  
I have a blessed assurance  
Whatever may come my way  
Your word is my answer  
You are light (you are light)  
You are life (you are light)  
You are truth

I declare that I am strong  
With the strength of God in me  
And I rise up with wings as eagles  
And I fly and I fly

I declare that I am strong  
With the strength of God in me  
And I mount up with wings as eagles  
And I fly and I fly
