Intro: G D Em C

G D Em C

I'll never forget

The day when you and I first met

I thank my luck star

Of all the little baby guitars I felt the magic

When I held you in my arms ukulele

I take you with me

From bangkok to Waikiki

And the greatest thing about the joy you bring

It's I don't worry about a thing when I hear you

Sing Ukulele

I love U kulele

I love U kulele

I love U kulele

You're the sunshine in my life each day
