

# Sirenia - Dim Days Of Dolor

tom:

Intro: Dm F Am G  
Dm F Am G

Dm F  
Frozen in the moment  
Am G  
Seems like time is standing still  
Dm F Am G  
This life feels like a cyanide pill  
Dm F  
The sun rise, a new morning  
Am G F  
I 's the same strife, different day  
E  
The grim reaper meets me in the doorway

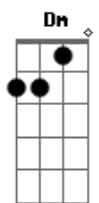

Am C  
I'm just barely alive  
Em D  
I don't know if I will survive  
Am C Em  
Yet another day, another way to fade and  
D  
Deteriorate  
Am C  
I've been losing my mind  
Em D  
I've been falling way behind  
Am C  
I'm a lost survivor, walking through fire  
Em D  
But strength is giving away

( Dm F Am G )  
( Dm F Am G )

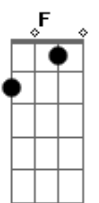

Dm F  
Broken by this moment  
Am G  
Seems like I have lost the will  
Dm F Am G  
The will to carry on further still  
Dm F  
The sundown, darkness falling  
Am G F  
It all ends right where it begins  
E B  
I pray for forgiveness for my sins

Am C

I'm just barely alive  
Em D  
I don't know if I will survive  
Am C Em  
Yet another day, another way to fade and  
D  
Deteriorate  
Am C  
I've been losing my mind  
Em D  
I've been falling way behind  
Am C  
I'm a lost survivor, walking through fire  
Em D  
But strength is giving away

C Em D  
Can you see through the fire

Can you see through the rain  
C Am B  
An you walk through flames

Have we all become insane  
C Em D  
Is this my funeral pyre  
Burning brightly and in vain  
C Am B7  
Faceless strangers without names  
B D  
Haunts you over and over again

[Solo] F Am G Dm  
F Am G  
F E Am Eb

Cm Eb  
I'm just barely alive
