

Sister Hazel - Everybody

Tom: C
Intro: C F Am G

You are so sexy my love
You got me trippin' over my tongue
And I can't say what I mean but I mean it when I say
That I fell so hard for you that it broke my heart in two
Now I'm wrapped in black and blue
You know I'm crazy 'bout you

Should I take a

chance
Or should I sit and wonder you

(Chorus)

I wanna tell everybody - everybody
That you're so much more
Than they've ever seen before
I wanna tell everybody - everybody
If they touched your hand
Then they'd never wanna let you go

Like a junkie to a rush
I'd trade my momma for your touch
Oh wait that might just be too much
Well I'd do anything but that
You are so tempting my dear
You strip away my useless fears
No you don't care that I'm weird
And that's amazing

As you walk on
