

Sister Hazel - Hold On

Tom: D
Intro: Bm A Gbm E (4x)

Bm (A Gbm Bm)
I've been a heavy handful to hold
Bm (A Gbm Bm)
Like rain slipping through your fingers
Bm (A Gbm Bm)
You've been taught to handle it all
Bm (A Gbm Bm)
Most people have already walked away

G Gbm
Our storms have taken a toll on you
G Gbm
Can you still weather me?

Bm (A Gbm Bm)

Bm (A Gbm Bm)
I want so much to fill you up
Bm (A Gbm Bm)
But your cup is full of me
Bm (A Gbm Bm)
I've left a bitter taste on you
Bm (A Gbm Bm)
But you say bitter sweetly

G Gbm
Breathe in, Be safe with me for a while
G Gbm
Lay here and take some time
G
I see you're tired and wasted so

[Chorus]

Hold on

Bm (A Gbm Bm)
Somebody's gonna make a promise to you
Bm (A Gbm Bm)
And somebody's gonna let you down
Bm (A Gbm Bm)
Nobody's gonna love you like I do
Bm (A Gbm Bm)
Nobody's gonna look so sweetly

G Gbm
Don't go just stay with me for a while
