

Sister Hazel - Sweet Destiny

```
Won't you comfort me old friend
  Tabbed by: Heath Anderson
                                                                           F
Fmail:
                                                                                      Gb
Tuning: Standard
                                                               Sweet destiny you tapped me with your finger
Intro:
                                                                                  E
                                                               And you looked into my eyes for the believer when I've cast my
                                                               doubts
Verse
                                                                                      Gb
                                                               Sweet destiny how long have you been looking for me
I will listen and I will talk to you
                                                               Cause I've been hiding in all the wrong bars and churches
And I will run away with you if you ask me to
                                                               endless searches to
                                                               cover me
And I will sing if you will dance for me and
                     Gb
                                                               Random Jam
I will paint the Mona Lisa but you look like you
                                                               A E Gb D
                                                                  E Gb D
Pre-chorus
                                                               A E Gb D
                 Gb
                           D
                                        Ε
                                                                  E Gb D
It seems like everywhere I turn I burn in my own skin and
                                                               Chorus
Won't you comfort me old friend
                                                               Sweet destiny you tapped my shoulder with your finger
Chorus
                                                                                     F
                                                                                                  Gb
                                                               And you looked into my eyes for the believer when I've lost my
                      Gb
Sweet destiny you tapped me with your finger
                                  Gb
And you looked into my eyes for the believer when I've lost my
                                                               Sweet destiny how long have you been looking for me
                                                                                                                            Gb
                      Gb
Sweet destiny how long have you been looking for me
                                                               Cause I've been searching all the wrong bars and churches
                                                               endless searches...
Cause I've been searching all the wrong bars and churches
                                                               Verse
endless searches to
                                                                                         Gb
  D
                                                               And I will shine and you'll remind me to be gracious
harbor me
                                                                                        Gb
                                                               And I will be the perfect stranger that you tell your secrets
Verse
And I will quit all the things that do not fit
                                                               And I will listen and I will talk to you
                                                                                 Gb D
                        Gb
                                                                            Е
                                                               And I will run away with you if you ask me to
And we will watch the sunrise and the moon beginning
            F
                        Gb
Believe believe cause there's times when it's so hard to do
                                                               Chords
                        Gb
                                                                                           Gb
It's much too much to comprehend where I belong at all
                                                               e|---0---|
                                                                            e|---0---|
                                                                                         e|---2---|
                                                                                                      e|---2---|
                                                                                                                   e|---7---|
                                                               Bİ---2---|
                                                                            B | - - - 0 - - - |
                                                                                         B|----|
                                                                                                      B|---3---|
                                                                                                                   Bİ---7---
                                                               GI---2---I
                                                                            G|---1
                                                                                         G|---2---|
                                                                                                      GI---2---I
               Gb
                      D
                                       Ε
                                                               D|---2
                                                                            D|---2---|
                                                                                         D|---4---|
                                                                                                      D | --- |
It seems like everywhere I turn I burn in my own skin and
                                                                            A | ---2--- |
                                                               A I - - - 0 - - - I
                                                                                         A | - - - 4 - - - |
                                                                                                      A | - - - x - - - |
                                                                                         E|---2---|
                                                                            E|---0---|
